Business related subjects means courses that contain in the course prefix or title an indication that the course subject matter is one of the following: business, finance, marketing, management, economics, computers, statistics, or accounting. Transcripts from a post-secondary educational institution outside the United States must be certified by the National Association of State Boards of Accountancy (NASBA) or a credentialing agency that is a member of the National Association of Credential Evaluation Services, Inc. A list of those agencies are available from the Board office or at <http://cpa.ky.gov>.

The Notice to Schedule is valid for 6 months from the date of issuance. If you fail to schedule a date for your exam within the 6-month period, your Notice to Schedule will expire and a re-exam application must be filed to sit for the exam.
