

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, I was employed in a professional accounting entity not requiring licensure by the Board, or a position in government, education, or industry.

I completed, within my current reporting period, 60 hours of acceptable CPE, including (a) at least thirty (30) hours in “technical standards courses,” and (b) at least two (2) total hours in professional ethics.

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, I worked 3,000 hours or more in a public accounting firm licensed by the Board, and performed attest services, as defined in KRS 325.220, or compilation or preparation of financial statement engagements subject to the AICPA Statements on Standards for Accounting and Review Services (SSARS).

I completed, within my current reporting period, 80 hours of acceptable CPE, including (a) at least forty (40) hours in “technical standards courses” and (b) at least two (2) total hours in professional ethics.

I also completed eight (8) hours of CPE in the subject matter area of auditing or accounting each calendar year of my current reporting period, for a total of sixteen (16) hours during the full reporting period.

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, I worked 3,000 hours or more in a public accounting firm licensed by the Board, but did not perform any attest services, as defined in KRS 325.220, or compilation or preparation of financial statement engagements subject to the AICPA Statements on Standards for Accounting and Review Services (SSARS).

I completed, within my current reporting period, 80 hours of acceptable CPE, including (a) at least forty (40) hours in “technical standards courses,” and (b) at least two (2) total hours in professional ethics.

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, I worked in a public accounting firm licensed by the Board for less than 3,000 hours, and performed attest services, as defined in KRS 325.220, or compilation or preparation of financial statement engagements subject to the AICPA Statements on Standards for Accounting and Review Services (SSARS).

I completed, within my current reporting period, 60 hours of acceptable CPE, including (a) at least thirty (30) hours in “technical standards courses,” and (b) at least two (2) total hours in professional ethics.

I also completed eight (8) hours of CPE in the subject matter area of auditing or accounting each calendar year of my current reporting period, for a total of sixteen (16) hours during the full reporting period.

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, I worked in a public accounting firm licensed by the Board for less than 3,000 hours, but did not perform any attest services, as defined in KRS 325.220, or compilation or preparation of financial statement engagements subject to the AICPA Statements on Standards for Accounting and Review Services (SSARS).

I completed, within my current reporting period, 60 hours of acceptable CPE, including (a) at least thirty (30) hours in “technical standards courses,” and (b) at least two (2) total hours in professional ethics.

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, I was unemployed.

I completed, within my current reporting period, 60 hours of acceptable CPE, including (a) at least thirty (30) hours in “technical standards courses,” and (b) at least two (2) total hours in professional ethics.

I received my license during the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period.

I completed, within my current reporting period, two (2) hours of CPE for each full month I was licensed.

During the two (2) calendar years prior to the renewal date of my license, which comprise my current reporting period, my principal office was located in another state.

I am reporting CPE to the state in which my principal office was located.

If you selected this option, please identify the state of your principal office, and your license number in that state:
